Children's Community Weekend Sep 19-21

Chagy comes to Orange SDA

This weekend is shaping up to be a huge demonstration of God's leading in a project that will reach children in our community. Chagy the Clown is coming to Orange SDA, Sharing the

love and joy that only comes from God. Chagy is a minister with an incredible program for reaching kids. And the power of God has been evident in the past week, as both the Southeastern California Conference and the North American Division Women's Ministry Department have gotten on board with huge financial backing.

This program will take place in the church sanctuary on Friday evening, Sabbath morning, and Saturday evening where kids will come first and be the focus of the program. But that does not mean adults are not welcome. You see, we need your involvement and support in helping this weekend to be successful. There will be one combined Sabbath School class for adults in the junior room as the kids meet in the sanctuary.

Also participating in the weekend's events will be a student band from La Sierra Academy, and the children's choir from Orangewood Academy. On Sunday, the parking lot will turn into a Wellness Fair for Kids from 1:30 p.m. to 4:30 p.m. with health screening and information, a bouncy-house, dunk the pastor tank, and food galore.

Did you know ... that the Tecate Mission trip is back on again? That's right, the trip has been rescheduled, and we want members to get involved in serving God by serving others in this weekend trip to Tecate, Mexico. Nominating Committee Survey

This past weekend, the Nominating Committee for the 2008-2009 year was formed. At the August meeting, your church board selected Carolyn Robinson, Bob Dickson, and Crystal Ruiz to serve on the committee. This past Sabbath, the church family selected the remaining slate with John Brothers, Ron Holness, Charlie Urban, and Ivetta Ismunts.

You can help the committee to complete its work this year by letting them know where you will serve in 2009. Click on the link below to access the on-line form to select the areas that you are interested in getting involved. Selecting an area does not mean you want be the leader, but to participate in that function and be used of God to serve your local church.

The church is a volunteer organization, and the more members that are actively involved, the easier it is to support ministries and programs that serve our community and local congregation.
